Modified OCT 20TH 2025

PRO JR. DRAGSTER RULES

$30.00 Registration Fee

This class will be broken up into 3 categories. Beginners class also known as “HIGH VOLTAGE”, the 12 - 16 age class also known as “FIREBALL”, and a 12-16 year old class for experienced drivers known as “JUNIOR PRO”.

GENERAL RULES

- The main goal of the class is for the kids to have fun and do this in a safe manner.
- Must have a 5-point harness.
- Must have neck brace.
- Must have roll cage.
- Gasoline or alcohol permitted.
- NO nitrous, turbos or blowers.
- Must have fully sheeted in cages or window netting.
- Must have functioning brakes.
- Must wear full race suit.
- Must wear gloves and full face with eye protection helmet.
- Must wear shoes.
- Must pass tech inspection to be permitted to race.
- Child must demonstrate a blindfolded shut down test .
- 2-wheel drive only.
- Entry fees will be half the price of normal race fees.
- These are points classes, as per CMRO rules
- Double classing will be permitted ONLY in the junior classes (to permit siblings & families to allow their children to race)
- No Class Jumping. Run the class with what cars are at the event.
- If a Jr racer runs faster than its classes index time and breakout, it will be penalized the following way:
    - If you run a 5.7 sec pass in High Voltage you will get a .50 penalty on top of the 6.00 sec index and the amount of the breakout overage added to its total time becoming a 6.80 sec time

- If you run a 4.8sec pass in Fireball you will get a 0.50 penalty on top of the 5.00 index and the amount of the breakout overage added to its total time becoming a 5.70 time.

HIGH VOLTAGE CLASS RULES

- Driver age is under 11.
- No full-sized rail cars.
- Limited to 3-cylinder engines.
- This is a designated beginner's class.
- This is a 6.00 second index class

FIREBALL CLASS RULES

- All drivers must be 12 - 16 years old (younger than 12 can race at parents and tech committee discretion)
- Limited to 3-cylinder engines..
- No full-sized rail cars.
- This is designated to be an intermediate class.
- This is a 5.00 second index class

JUNIOR PRO CLASS RULES

- This is designated to be an experienced class. The last step up before full sized rigs. This is to set future racers up for success.
- All drivers must be 12-16 years old (unless parental and tech committee consent is given otherwise)
- Limited to 3-cylinder engines.
- No time index.
- No nitro methane.
- All drivers must be able to stage and launch cars independently.

Transition Program

Season 2025 introduced the transition program for kids (unlicensed minors) who have previously raced in the jr program and have outgrown those parameters. These individuals and their legal guardians must complete a CMRO Racing License Transition & Competency Form.
- Must be supervised by a guardian
- Can only go up to Pro Mod class
